

January 2018

Dear families

EYFS Pick-up and Play Sessions

We understand that by working together we can provide the very best education for your child. We also value the contribution you make to your child's learning. For this reason, we will be offering a weekly 'pick-up and play' session this term. In this session, parents are encouraged to play alongside their child, learning about their child's development through play.

Our first 'pick-up and play' session will take place on Wednesday 17 January from 3pm. Please come to the school reception and a member of staff will take you to the classroom.

The 'pick-up and play' sessions will then continue to take place every Wednesday for 4 weeks from 3pm to 4pm. Parents are welcome to come to as many 'pick-up and play' sessions as they please. We would really like all parents to try to come to, at least, one session. We will be holding these sessions again next term. Going forward, we will look at other days and times; as such, please give us your feedback if the time or day causes you any inconvenience.

Thank you for your continued support and we look forward to seeing you at our sessions.

Yours faithfully

Justine Oldham
Primary Principal
