

10 September 2024

Dear families,

Parking

We have had a successful start to the academic year and it has been fantastic to welcome students back to Dixons Trinity Chapeltown for a new academic year.

As we are sure you can appreciate, we have worked hard to maintain and nurture a positive relationship with the local community surrounding the school. We request that you support us with this by parking legally and courteously when dropping off or collecting your child from the Academy.

We have been made aware that the Children's Centre car park on Leopold Street is being used by families during drop off and collection from Dixons Trinity Chapeltown. The health and safety of our students and families travelling to and from school, as well as the safety of the wider community are of paramount importance. To continue our commitment to keeping everyone safe, we would like to remind you that the Children's Centre car park must not be used during drop off or collection of students at Dixons Trinity Chapeltown.

We have addressed this issue in school with students and reminded them of this expectation and that they must not walk through the Children's Centre car park for their own safety. Please support us by reminding your child that they must not enter the Children's Centre car park.

Please also remain considerate and avoid blocking the gates to the car park as this causes an obstruction for families and staff at the Children's Centre.

Thank you for your cooperation in this matter.

Yours faithfully

Emma Hickey
Head of Secondary

Angelique O'Garra
Head of Primary

Jason Patterson
Principal
